

Meet Ashara

Profile

Passionate Python developer and final-year AI/ML student with hands-on experience in Django, data scraping, and backend automation. Quick learner with the right guidance, always eager to explore new technologies. While I initially hesitate with unfamiliar challenges, I push through with determination and a growth mindset.

Education

- SSC (2018-2019), Shree Vivekanand Vidhyalay – 75 PR
- Diploma in Computer Engineering (2019-2022), Om Engineering College – 7.86 CGPA
- BE in CSE (AI/ML) (2022-2025), New LJ Institute of Engineering and Technology – 7.52 CGPA

Internship

Technowire Datascience Pvt. Ltd. (3 Months)

- Worked on Python-based data scraping and data analysis tasks.
- Gained practical experience with real-time datasets and automation tools.

Projects

Shreeji Enterprises: Dupatta Store

- Full-stack e-commerce website built using Django and Tailwind CSS.
- Features: OTP login, dynamic product listing, drag-and-drop admin panel, responsive UI, contact form with Google Maps.
- Deployed on Render with PostgreSQL.
